INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Barack and Michelle, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Barack and Michelle, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Barack, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Barack and Michelle, your Life Path is 20/2

Barack and Michelle, you both have the same number in this part of the chart. The following text therefore applies to both of you.

The key word in your nature is peacemaker. Barack, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

However, your sensitivity can also be your downfall. Barack, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with

devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Barack, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Your Life Path's compatibility is 2

Barack and Michelle, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

This aspect of the chart reveals both of you to have a sensitive, vulnerable side. Sometimes that is favorable, other times it prevents issues from getting resolved, like when you step around the issue carefully, afraid to hurt the other. This may cause issues to fester and start eating at the foundation of your relationship. Therefore, it is important not to walk away from the problems because you don't want to rock the boat. It is best to face them up-front!

Barack and Michelle, you both have a healthy respect for the power of feelings and emotions, but you have to guard against avoiding confrontations altogether. Sometimes, a confrontation is necessary to clear the air and resolve the problems, in other words, "to send the phantoms away".

As two people who feel and experience emotions strongly, you are both more vulnerable to criticism. This is something you may have to consciously work on. Sometimes, as I mentioned, you will avoid addressing an issue. Other times, especially when those unresolved issues cause resentments, you, like boxers, may be tempted to lash out to your partner with a "below-the-belt" criticism, revealing your anger and resentment in a way that can be very harmful for the relationship. Even more devastating, it can shut the door to any chance you might have had to resolve the underlying problem. Frequent instances of that behavior might undermine your relationship and, sticking to the paraphrase, a knock-out would not be totally impossible.

As you can see, although couples keep looking for things they may have in common, in this aspect of the chart, the fact that you both have a two does not translate into an advantage. On the positive side, you can relate to each other's emotional experiences. On the negative side, instead of one person balancing the other, you may, instead, enhance a negative experience until perspective is lost and all that remains is pain and anger.

Barack and Michelle, you both have a tendency to use the occasional white lie to circumvent what you perceive as dangerous ground. This is not always a bad thing.

However, unless other numbers in your chart support your ability and your willingness to grab the bull by the horn when tact and diplomacy are no longer suitable, this avoiding of difficult subjects can have the effect of pushing each other away. You start creating a world of your own, slowly pushing your partner away. If you have the kind of relationship where the partners live their own life quite happily, there is no problem. However, you are both people of the heart and that pretty much makes that kind of lifestyle impossible.

The key to maintaining a healthy and stable relationship when both partners have a two in this part of the chart is to recognize the need for planned pow-wows. Whenever an issue needs to be handled, discuss it openly and frankly, but never guided by impulse and emotions of the moment. Instead, tell your partner that something is bothering you and you want to talk about it. Then, build up a setting: make a cup of coffee, sit down around the table, and emphasize to your partner that you know first and foremost that your love is strong and enduring, and that, in order to keep it strong, you have to bite the bullet and talk about it. In such a setting, you can discuss the situation intelligently, without getting too emotional and without letting anger and irritation control the discussion.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Barack, your Expression is 19/1

You are a natural leader, independent and individualistic. Barack, you are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

Barack, you are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

Barack, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

Michelle, your Expression is 16/7

Michelle, you are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher.

You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Michelle, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of

others, and even cynical about life in general.

The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist.

You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

Michelle, you have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Your Expression's compatibility is 1 and 7

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Barack and Michelle, your compatibility in this aspect of the chart is very unpredictable. Some relationships between one's and seven's thrive while others don't stand a chance. The initial connection in this combination is usually intellectual - a level where you can relate and have plenty to share. Barack's brazen attitude towards new and old concepts, a willingness to get off the beaten path, and an open and unconventional mind make for a great intellectual partnership with Michelle. Michelle realized at an early age that something was "different". The seven is an intensely curious number, challenging everything others take for granted. It digs and stirs old concepts and shows how what looks straightforward to the rest of us, is, in fact, far from simple and far from obvious. Michelle knows what it is like to stand apart from the crowd. And what is

more, never to have felt uncomfortable with that. Though a bit lonely at times, it is also very gratifying in that it leads to the knowledge that there is more to daily life than meets the eye. No number experiences the excitement and exhilaration brought forth by moments of true clarity and insight as well as the seven.

Therefore, you are two people who happily venture into new, strange or unknown intellectual and spiritual territories. Free thinkers - for very different reasons and driven by very different perspectives - the combination of which makes a nice, spicy recipe. Matters of the heart, feelings and emotions - that is where you, Barack and Michelle, may encounter trouble spots. Neither one of you is eager to expose your inner self. You are private, sensitive and vulnerable people. You don't carry your heart on your sleeve. You, Barack, because you recognize strength and endurance as your in-born assets. Michelle because you are comfortable keeping distant and remaining somewhat separated.

The human qualities needed to help you experience your relationship on the deepest levels, where it really matters and where it can grow and prosper, are emotional courage and the strength to allow yourself to be weak which, by the way, is not a contradiction. Emotional courage is the courage to expose your sensitive, vulnerable side, and this requires faith in your partner but, more importantly, faith in yourself. Keep in mind that it is okay to lay yourself open - you have the strength to survive!

Both of you, but particularly Michelle, may be tempted to go the other way, becoming cynical and untouchable. Watch out! There is no worse place to go and the consequences of such a shift are usually visible in a trail of broken relationships.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Barack and Michelle, your Heart's Desire is 18/9

Barack and Michelle, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Barack, you want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity.

Your ideals are of the highest order. You are a perfectionist. You strive to make the

world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological.

You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

Barack, you are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well, but have a tendency to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people.

Barack, your happiness and contentment are therefore highly dependent on the ease with which you are able to serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Your Heart's Desire's compatibility is 9

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Barack and Michelle, this combination often creates a partnership that goes well beyond romance. Both idealists, you are sufficiently focused and have enough clarity of purpose to devote your life to a single goal, paying little or no attention to the monetary aspect. Contrary to what one might expect, this often results in financial prosperity,

albeit not until somewhat later in life.

Most likely, Barack and Michelle, recognition of similar souls was responsible for the initial attraction between you. Endless conversations that were mutually inspiring helped you realize that your dreams were attainable and that you needed and wanted the company of each other. The bond is strong and will not weaken over time, since you thrive on each other's experiences. The compatibility is powerful and strengthens each of you as individuals.

You may find yourselves choosing almost identical careers, perhaps even within the same organization or institution. All these similarities make others see you as an unbreakable couple, the kind of bond that often exists between brothers and sisters. However, some pitfalls may exist, even in this extremely compatible combination. Barack and Michelle, in extreme cases, the number nine shows a tendency to believe in ideals to such an extent that it turns into an obsession. Self-righteousness, narrow-minded moral values, and religious fanaticism are not uncommon, nor are arrogance, pride, and a superficial confidence. That explains the fact that the number nine is often found among political and religious extremists. Excessive belief in your ideals may cause problems to your relationship. It is important for both of you to remain open to other people's ideas, to respect their different opinions, and to remain humble within yourselves.

Barack and Michelle, the only real danger in a relationship between the nine's found in this part of the chart appears when either or both of you lose your ability for self-criticism and self-reflection. It is essential to keep in mind that even in idealism, moderation is required - in fact, it is the keyword to safeguarding this otherwise excellent number combination.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Barack, your Personality is 19/1

Barack, you radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your

appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

Barack, you are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Michelle, your Personality is 34/7

Michelle, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Michelle, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

Your Personality's compatibility is 1 and 7

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Barack and Michelle, as you can see, the numbers that define the compatibility of your Personality are identical to those found in your Expression.

This increases the influence of both the positive and the negative attributes as described in your Expression's compatibility. It is particularly difficult to overcome the negative influences as revealed under your Expression.

Go back and read your Expression's compatibility again for a better understanding of how the increased influence of these numbers can effect your relationship. Learn to recognize the negative attributes of these numbers and be vigilant in your efforts to prevent a break down that could easily result if the negative influences of these numbers are allowed to dominate.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Barack, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Barack, your Personal Year for 2014 is 1

Be ready for major changes. Barack, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

Barack, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Michelle, your Personal Year for 2014 is 7

Michelle, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Michelle, will turn this period of your life into a very bad experience indeed, while a "let go and let god" attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Your Personal Year's compatibility for 2014 is 1 and 7

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Barack and Michelle, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Barack and Michelle, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met. The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth. Barack, you should focus on your career and goals. For Michelle, the focus is more inward, towards spiritual and mental growth. Michelle is going through a period of self-discovery and needs time alone. Barack has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Barack, your Personal Year for 2015 is 2

Barack, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Barack, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Michelle, your Personal Year for 2015 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Michelle. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Michelle, your power is visible and strong, mental creativity is high,

vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year's compatibility for 2015 is 2 and 8

Barack and Michelle, this is a difficult combination of cycles. Your priorities are not aligned. For Barack, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Barack may be quite demanding in that regard.

For Michelle, the relationship takes second, or perhaps third place at this time.

Michelle's focal point is everything around the relationship. From friends to career, and from family to finances, Michelle wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Barack.

In addition, Michelle may feel that Barack does not carry enough weight, when in fact Barack's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Michelle will manage to make improvements in areas outside the relationship while Barack will strengthen the relationship on a deeper level.

Barack, your Personal Year for 2016 is 3

This is a year of expansion and personal growth, Barack. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Barack, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this year's tendencies towards glamour and extravagance, yet allow your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across. Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Michelle, your Personal Year for 2016 is 9

This is your year to finish up all unfinished business, Michelle, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Michelle, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Your Personal Year's compatibility for 2016 is 3 and 9

Barack and Michelle, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Michelle, however, is also experiencing a challenging time of powerful emotions. Michelle is on shaky ground and needs a stable environment as well as Barack's support and confidence. Barack is more upbeat and optimistic than usual and can be a much-needed source of comfort for Michelle. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Michelle's need to feel secure is enforced.

Barack should be aware that Michelle is not as grounded as usual right now and some patience may be prudent. For Michelle, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Barack's ability to be a source of strength and comfort for Michelle. Barack and Michelle, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Barack, with the three-cycle, can support Michelle during the time the nine dominates.

PERSONAL MONTHS

Barack, your Personal Month for October 2014 is 2

Barack, October is a 2 Personal Month in a 1 Personal Year. Your intuition and sensitivity are heightened. You are much more aware of feelings, your own as well as those of others. This may cause you to make mountains out of mole-hills, however. Still, you possess the ability to gently guide others, and to maintain harmony even in potentially discordant situations.

This combination of numbers represents opposites, yin and the yang -- the most masculine number 1 and the most feminine 2.

The result is that you experience the best of two worlds; the strength and confidence of the leader, and the tact and subtlety of the diplomat.

Barack, you may experience an increase in your authority at work.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and love stronger felt -- by you and by your loved one.

You are more vulnerable to criticism than usual, which can cause outbursts of anger. By the end of the month and the beginning of the next month you may realize that an apology is both wise and in order.

Michelle, your Personal Month for October 2014 is 8

Michelle, October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Your Personal Month's compatibility for October 2014 is 2 and 8

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the

compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Barack and Michelle, this is a difficult combination of cycles. Your priorities are not aligned. For Barack, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Barack may be quite demanding in that regard.

For Michelle, the relationship takes second, or perhaps third place at this time.

Michelle's focal point is everything around the relationship. From friends to career, and from family to finances, Michelle wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Barack.

In addition, Michelle may feel that Barack does not carry enough weight, when in fact Barack's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Michelle will manage to make improvements in areas outside the relationship while Barack will strengthen the relationship on a deeper level.

Barack, your Personal Month for November 2014 is 3

Barack, November is a 3 Personal Month in a 1 Personal Year. It is an excellent time to inspire and motivate others.

Your enthusiasm is contagious and no obstacle is too great to overcome. You have little patience this month and would like everything to go much faster. Your mind goes at Mach speed but may scatter your energies. You will be all too willing to cut corners to avoid effort or details, which may result in a frustrating and over-worked December.

Be disciplined and follow projects through to completion.

Ideas come popping out of you. Barack, your creativity seems to burst in all directions. The trick is in differentiating between iron balloons and those that truly float.

The opposite sex is attracted to you and temptation is part of the game. There is the danger of irresponsible behavior. Be careful.

Michelle, your Personal Month for November 2014 is 9

Michelle, November is a 9 Personal Month in a 7 Personal Year. Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown.

You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. Michelle, you should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil but the bond will only become stronger.

If the relationship isn't strong, this will become very clear and cause a permanent break.

Your Personal Month's compatibility for November 2014 is 3 and 9

Barack and Michelle, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Michelle, however, is also experiencing a challenging time of powerful emotions. Michelle is on shaky ground and needs a stable environment as well as Barack's support and confidence. Barack and Michelle, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Barack, with the three-cycle, can support Michelle during the time the nine dominates.

Barack, your Personal Month for December 2014 is 4

Barack, December is a 4 Personal Month in a 1 Personal Year. It brings opportunity and frustration. Stay focused on your goals and work hard. It is an excellent month for career with much opportunity for progress, due partly to last month's optimism and enthusiasm. You have impressed people, some of whom are now ready to offer you the proverbial carrot. There is a hitch; you may not feel you are ready, and a little courage is required.

Another aspect of this combination of numbers is the frustration caused by your inability to force a direction of your own choosing. You may feel caught in a trap, stuck in a rut. Barack, you have to be willing to maintain a high level of effort, because this is

definitely not a time to quit, no matter how frustrating the current period may be. Even in matters of the heart, you may feel stuck in the mud.

Patience and diligence are the key-words for this month.

Michelle, your Personal Month for December 2014 is 1

Michelle, December is a 1 Personal Month in a 7 Personal Year. It brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with.

Relationships of all kinds -- family, friends, and co-workers -- tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. Michelle, you may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Your Personal Month's compatibility for December 2014 is 4 and 1

Michelle and Barack, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Michelle, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Barack, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Barack, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Barack, have faith in that and just keep going.

Michelle, don't get impatient with Barack's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Barack, your Personal Month for January 2015 is 3

Barack, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you

find yourself establishing closer ties and better communication among those with whom you live and work.

Barack, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this month's experiences, and the chances are good that you may meet someone special.

Michelle, your Personal Month for January 2015 is 9

Michelle, January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. Michelle, you are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Your Personal Month's compatibility for January 2015 is 3 and 9

Barack and Michelle, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Michelle, however, is also experiencing a challenging time of powerful emotions. Michelle is on shaky ground and needs a stable environment as well as Barack's support and confidence. Barack is more upbeat and optimistic than usual and can be a much-needed source of comfort for Michelle. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Michelle's need to feel secure is enforced.

Barack should be aware that Michelle is not as grounded as usual right now and some patience may be prudent. For Michelle, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Barack's ability to be a source of strength and comfort for Michelle. Barack and Michelle, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest

and most pleasurable. For that reason, you are lucky to have this combination whereby Barack, with the three-cycle, can support Michelle during the time the nine dominates.

Barack, your Personal Month for February 2015 is 4

Barack, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Barack, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Michelle, your Personal Month for February 2015 is 1

Michelle, February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Your Personal Month's compatibility for February 2015 is 4 and 1

Michelle and Barack, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent

strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Michelle, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Barack, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Barack, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Barack, have faith in that and just keep going. Michelle, don't get impatient with Barack's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Barack, your Personal Month for March 2015 is 5

Barack, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Michelle, your Personal Month for March 2015 is 2

Michelle, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month's compatibility for March 2015 is 5 and 2

Michelle and Barack, the 2 and the 5 get along fine in many ways; they happily play

together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Michelle, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Michelle. At the same time, Barack is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Barack's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Barack is too quick and impulsive, Michelle is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Barack, your Personal Month for April 2015 is 6

Barack, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Barack, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Michelle, your Personal Month for April 2015 is 3

Michelle, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous

but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Michelle, your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month's compatibility for April 2015 is 6 and 3

Michelle and Barack, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Michelle, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Barack, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind. A possible danger lies in the fact that Barack needs more attention than usual during this time, while Michelle requires less attention and would rather devote more time to people and activities outside the relationship.

Barack, your Personal Month for May 2015 is 7

Barack, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Michelle, your Personal Month for May 2015 is 4

Michelle, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You

may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month's compatibility for May 2015 is 7 and 4

Michelle and Barack, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Michelle, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Barack, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Barack, your Personal Month for June 2015 is 8

Barack, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Michelle, your Personal Month for June 2015 is 5

Michelle, June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Your Personal Month's compatibility for June 2015 is 8 and 5

When it rains, it pours, Michelle and Barack. This is a time when neither one of you will find it easy to keep up with your partner. Michelle has a lot going on, juggling more balls than usual. Barack is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Michelle and Barack, there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Michelle, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Barack, your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Michelle's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Barack's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make, is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Barack, your Personal Month for July 2015 is 9

Barack, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Barack, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Michelle, your Personal Month for July 2015 is 6

Michelle, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Michelle, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Your Personal Month's compatibility for July 2015 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Barack. Michelle is more devoted and committed to the relationship during this period and that is exactly what Barack needs; tender loving care and strong commitment. Barack may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Michelle, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Barack, you may find yourself relying heavily on Michelle, in particular on an emotional and spiritual level.

Much will depend on Michelle's ability to offer support and comfort, but an important and positive ingredient Barack brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is

needed to reach these goals, Barack can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Barack may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Barack, your Personal Month for August 2015 is 1

Barack, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Barack, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Michelle, your Personal Month for August 2015 is 7

Michelle, August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Michelle, you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month's compatibility for August 2015 is 1 and 7

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Barack and Michelle, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Barack and Michelle, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met. The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth.

Barack, you should focus on your career and goals. For Michelle, the focus is more inward, towards spiritual and mental growth. Michelle is going through a period of self-discovery and needs time alone. Barack has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Barack, your Personal Month for September 2015 is 2

Barack, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Michelle, your Personal Month for September 2015 is 8

Michelle, September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this

month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Michelle, you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month's compatibility for September 2015 is 2 and 8

Barack and Michelle, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Barack, your Personal Month for October 2015 is 3

Barack, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Michelle, your Personal Month for October 2015 is 9

Michelle, October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling

of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

Michelle, you are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month's compatibility for October 2015 is 3 and 9

Barack and Michelle, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Michelle, however, is also experiencing a challenging time of powerful emotions. Michelle is on shaky ground and needs a stable environment as well as Barack's support and confidence. Barack is more upbeat and optimistic than usual and can be a much-needed source of comfort for Michelle. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Michelle's need to feel secure is enforced.

Barack should be aware that Michelle is not as grounded as usual right now and some patience may be prudent. For Michelle, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Barack's ability to be a source of strength and comfort for Michelle. Barack and Michelle, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Barack, with the three-cycle, can support Michelle during the time the nine dominates.

Barack, your Personal Month for November 2015 is 4

Barack, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Michelle, your Personal Month for November 2015 is 1

Michelle, November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month's compatibility for November 2015 is 4 and 1

Michelle and Barack, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Michelle, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Barack, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Barack, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Barack, have faith in that and just keep going. Michelle, don't get impatient with Barack's doubts and frustration. Remember that this is

a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Barack, your Personal Month for December 2015 is 5

Barack, December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Barack, your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Michelle, your Personal Month for December 2015 is 2

Michelle, December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Michelle, your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

Your Personal Month's compatibility for December 2015 is 5 and 2

Michelle and Barack, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Michelle, the enhanced emotional vulnerability typical of a 2 cycle opens the door to

possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Michelle. At the same time, Barack is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Barack's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Barack is too quick and impulsive, Michelle is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Barack, your Personal Month for January 2016 is 4

Barack, January is a 4 Personal Month in a 3 Personal Year and offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Michelle, your Personal Month for January 2016 is 1

Michelle, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month's compatibility for January 2016 is 4 and 1

Michelle and Barack, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent

strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Michelle, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Barack, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Barack, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Barack, have faith in that and just keep going. Michelle, don't get impatient with Barack's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Barack, your Personal Month for February 2016 is 5

Barack, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Barack, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Michelle, your Personal Month for February 2016 is 2

Michelle, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month's compatibility for February 2016 is 5 and 2

Michelle and Barack, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Michelle, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Michelle. At the same time, Barack is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Barack's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Barack is too quick and impulsive, Michelle is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Barack, your Personal Month for March 2016 is 6

Barack, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Michelle, your Personal Month for March 2016 is 3

Michelle, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most

trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Michelle, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

Your Personal Month's compatibility for March 2016 is 6 and 3

Michelle and Barack, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Michelle, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Barack, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind. A possible danger lies in the fact that Barack needs more attention than usual during this time, while Michelle requires less attention and would rather devote more time to people and activities outside the relationship.

Barack, your Personal Month for April 2016 is 7

Barack, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

Michelle, your Personal Month for April 2016 is 4

Michelle, April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired,

ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

Your Personal Month's compatibility for April 2016 is 7 and 4

Michelle and Barack, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Michelle, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Barack, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Barack, your Personal Month for May 2016 is 8

Barack, May is an 8 Personal Month in Barack, May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Barack, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

Michelle, your Personal Month for May 2016 is 5

Michelle, May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a

big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. Michelle, you need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

Your Personal Month's compatibility for May 2016 is 8 and 5

When it rains, it pours, Michelle and Barack. This is a time when neither one of you will find it easy to keep up with your partner. Michelle has a lot going on, juggling more balls than usual. Barack is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Michelle and Barack, there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Michelle, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Barack, your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Michelle's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Barack's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make, is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Barack, your Personal Month for June 2016 is 9

Barack, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy

during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Michelle, your Personal Month for June 2016 is 6

Michelle, June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

Your Personal Month's compatibility for June 2016 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Barack.

Michelle is more devoted and committed to the relationship during this period and that is exactly what Barack needs; tender loving care and strong commitment.

Barack may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Michelle, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Barack, you may find yourself relying heavily on Michelle, in particular on an emotional and spiritual level.

Much will depend on Michelle's ability to offer support and comfort, but an important and positive ingredient Barack brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Barack can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Barack may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Barack, your Personal Month for July 2016 is 1

Barack, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this

already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

Michelle, your Personal Month for July 2016 is 7

Michelle, July is a 7 Personal Month in a 9 Personal Year. It represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come.

Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition, and have faith in yourself and your Creator.

Michelle, your career and finances are not priorities, except when they relate to plans you may have for the future.

This is a time to prepare for the long-term, not to reach for immediate rewards.

Your Personal Month's compatibility for July 2016 is 1 and 7

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Barack and Michelle, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Barack and Michelle, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met. The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth.

Barack, you should focus on your career and goals. For Michelle, the focus is more inward, towards spiritual and mental growth. Michelle is going through a period of self-discovery and needs time alone. Barack has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at

the cost of the relationship.

Barack, your Personal Month for August 2016 is 2

Barack, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Barack, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

Michelle, your Personal Month for August 2016 is 8

Michelle, August is an 8 Personal Month in a 9 Personal Year. It brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance.

Use any extra income you might have to pay off your debts.

You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change, or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

Your Personal Month's compatibility for August 2016 is 2 and 8

Barack and Michelle, this is a difficult combination of cycles. Your priorities are not aligned. For Barack, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Barack may be quite demanding in that regard.

For Michelle, the relationship takes second, or perhaps third place at this time.

Michelle's focal point is everything around the relationship. From friends to career, and from family to finances, Michelle wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Barack.

In addition, Michelle may feel that Barack does not carry enough weight, when in fact

Barack's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Michelle will manage to make improvements in areas outside the relationship while Barack will strengthen the relationship on a deeper level.

Barack, your Personal Month for September 2016 is 3

Barack, September is a 3 Personal Month in a 3 Personal Year for you and your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Michelle, your Personal Month for September 2016 is 9

Michelle, September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Your Personal Month's compatibility for September 2016 is 3 and 9

Barack and Michelle, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Barack, your Personal Month for October 2016 is 4

Barack, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making

demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Barack, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Michelle, your Personal Month for October 2016 is 1

Michelle, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Michelle, you may meet someone who becomes a permanent fixture in your life.

Your Personal Month's compatibility for October 2016 is 4 and 1

Michelle and Barack, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Michelle, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Barack, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Barack, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Barack, have faith in that and just keep going.

Michelle, don't get impatient with Barack's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Barack, your Personal Month for November 2016 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Michelle, your Personal Month for November 2016 is 2

Michelle, November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month's compatibility for November 2016 is 5 and 2

Michelle and Barack, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Michelle, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Michelle. At the same time, Barack is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Barack's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Barack is too quick and impulsive, Michelle is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.
